

COVID-19 testing and vaccine center

SCOTTSDALE

We offer a variety of same day services to make covid-19 testing easy.

FORMULA DIAGNOSTICS

Formula Diagnostics is a clinical laboratory and healthcare facility offering rapid testing for COVID-19 as well as vaccines. Using technology, science and an amazing client services department, we cater to whatever your needs are, from testing 1 individual to 3000 people. Utilizing NAAT technology, we can provide accurate test molecular results for COVID-19 in under an hour. Our highly trained nursing staff can also come to you.

COVID-19 TEST TYPE	CASH PRICE
Rapid PCR Test (Results in 30 min)	\$199.00
Lab PCR Test (Results in 24-48 hours)	\$145.00
Rapid Antigen Test (Results in 15 min)	\$129.00
IgG/IgM Antibody Testing (Results in 15 min)	\$50.00
Concierge Testing Fee (we come to you)	\$75.00

We DO ACCEPT insurance for testing if you have had a recent exposure to a positive individual or if you have current symptoms
